OUR STRUCTURE

Childcare and Early Learning Centre

Our well equipped and fully accredited Early Learning Centre lays strong Christian foundations for capable, confident and self disciplined children. The centre also offers parents the convenience of having their children cared for in the one location. The specially trained staff motivate each child, and the age-appropriate learning experiences prepare them for formal schooling. *Outside of School Hours and Vacation Care are also available.*

Primary School (Prep – Year 6)

Our Primary School focuses on nurturing children through the early years of formal schooling with a caring community of staff, students and parents. A well-rounded curriculum balanced with pastoral care and student support provides a solid base for personal achievement. The school's values program is introduced in the Primary School, developing positive character and social traits as the children grow.

ICT is an important focus at Northpine because it supports and enhances teaching for learning. Our class rooms are equipped with interactive data projectors and our primary classes have tablets/ computers as well as a computer lab available for their use.

Middle School (Years 7 – 9)

Our Middle School Students are encouraged to discover their personal interests and develop their full potential through a balanced and flexible curriculum, which covers the core learning areas along with providing opportunities to experience a broad range of electives. Northpine Christian College recognises that students in the Middle School have unique needs. At this crucial age students need to be engaged in meaningful and relevant learning with teachers who are genuinely interested and care about their students' well being. Students are encouraged to recognize that success requires a commitment to life long learning.

Senior School (Years 10 – 12)

Students in Year 10 have a variety of subject options available, which form a strong base for selecting either OP or vocational pathways in Years 11 and 12. Work experience, career guidance, and academic support in an ICT- rich environment are key components in preparing students for success in their senior years of schooling.

OUR CURRICULUM

Northpine Christian College has implemented the Australian Curriculum (ACARA) from Prep to Year 10, catering for students with a variety of abilities and interests supported by a strong co-curricular program.

Primary School

Our Infants teachers (Prep to Year 2) work with our students, to build a strong foundation by teaching the basics of literacy and numeracy as well as the many other skills that they will need to become successful students.

In our Junior School (Years 3 – 6), the focus is the development of independent thinking and working skills that build on the strong foundation that has been laid in the Infant School.

Our Prep to Year 6 students have specialist Music and Physical Education teachers to teach those subjects, and Year 5 - 6 students are taught Japanese as part of their curriculum leading into Middle School. We also have a Learning Centre staffed with teachers and teacher aides who support students in class, as well as providing the opportunity for students who need it to receive group help.

Secondary School

In addition to the core subjects of Bible, English, Mathematics, Science, History, Geography, Physical Education and Health, our Year 7 to 9 Middle School students study a wide range of other subjects including Visual Art, Drama, Music, Technology Studies, Business/Civics, Home Economics, Digital Media and Technologies, Outdoor Education and Japanese.

Management of non-attendance

Primary class rolls are marked at the beginning and end of day. Secondary class roles are marked each period. Notes are made in the roll as to why children are absent – i.e. sick, leave or unexplained. Parents/carers are requested to phone the college in the event that a student will not be in attendance for that day. When the child returns to school, a note is to be given to the class teacher or in the case of middle/high school, the note will be handed into the secondary office. When a child is absent for a period of days, the form co-ordinator (Years 7 - 12) or class teacher (Prep – Year 6), will call the parent to enquire as to the reason for the absence.
