Child Care Subsidy:

Child Care Subsidy is an assistance scheme which is funded by the Federal Government. It is designed to ensure that all families can afford quality childcare. It is paid directly to the Centre on behalf of the eligible families. Under the Child Care Subsidy scheme a formula is used to calculate what part of the fee each family will pay. This fee depends on the family income and hours of activity. Family CRN numbers must be given on the enrolment form. Families will need a My Gov account to provide this information and complete the process. You may contact Family Assistance on 136150.
