Our Centre Absences & Leave Policy states that each child is entitled to 4 (four) weeks at the holiday rate each year, for the number of permanent booked days that they attend. If all your allowed days have been used, you will then be charged an absent fee. Centrelink entitles each child to 42 absent days each year including holidays. Once your 42 days have been used, you will pay full fee for absent days, sick days and holidays.
