

**FIRST NATIONS
BEDTIME STORIES
Challenge!**
FUNDRAISER

**WE RAISED
\$385.25**

As an extension of our Reconciliation Action Plan (RAP) launch, our Regional Operations Coordinator Jess put out the challenge to raise money for 'The First Nations Bedtime Stories Fundraiser'.

We held a Mini Fun Fair that included a toy and book auction, a popcorn and hot chocolate stand and show bags to raise money. The children had an amazing afternoon at our Mini Fun Fair and were so excited to hear we had raised **\$385.25** towards this wonderful organisation. Our Mini Fun Fair would not have been possible without the donations and support from our families here at OSHClub Northpine.

**WINTER
Vacation Care**

This winter Vacation Care we have loads of exciting activities to do. So far we have gone to the Gallery of Modern Art and had a visit from Ocean Life Education. The children had the opportunity to learn fun facts about being ocean friendly, picking up rubbish from the beach and using reusable water. Future Excursions planned are Inflatable World and Brisbane Planetarium.

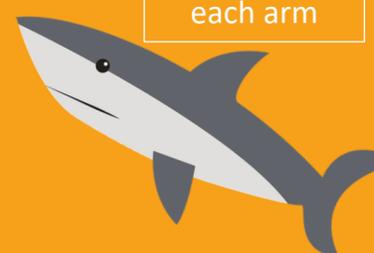

Did you know there is 500 species of sharks

Did you know that a sea star can have up to 30 arms and there will be an eye on each arm

Gabe says "Hi all ocean animals, the sea is one of Gods wonders with the beautiful fish that live in it. The sea has lots of magical places for the animals to hide from their prey. All people please help our lovely sea creatures by making sure that you throw your rubbish in the bin so that the turtles do not mistake it for a sea jelly."

Our Leader Xander has a Rule Reminder

Play safe, stay safe these holidays.
We are all irreplaceable.

Around the world at OSHClub this month

This month at OSHClub we enjoyed learning about our beautiful neighbouring country New Zealand.

The Children learnt about Matariki Day which is when 'The Sister stars', appear in the eastern sky. This happens on the shortest day of the year and is thought to determine how successful the harvest crop will be in the coming season. The brighter the stars, the more productive the crop will be.

Matariki has two meanings, both of which refer to the cluster of stars.

To celebrate Matariki Day, we ate yummy food, we did special dancing, had loads of fun and spent time with our OSHClub whanau (family).

Some of the children went on a bush walk to collect some sticks for our Matariki Day creation while some children cut out the 7 sister stars and decorated them with glitter and glue.

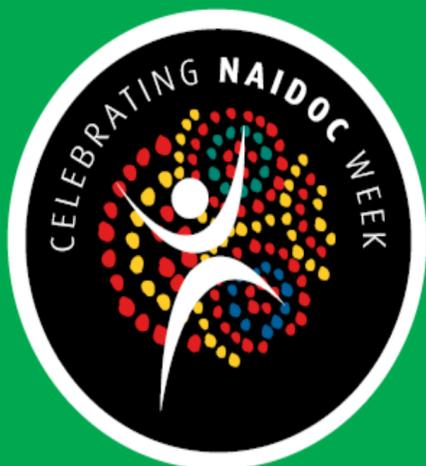

Programed Activities for the coming weeks.
