

25 November 2020

Dear Parents/Guardians of Senior 2021 Students,

BLAZER FITTINGS 2021

Northpine has changed the process for uniform shop blazer purchases to better assist parents/guardians and improve our processes. The uniform shop will no longer be holding a range of blazers in stock.

If you have not purchased a new or second hand blazer before the start of school and your senior student needs a blazer, the college has set aside Friday, January 29 2021 for students to be fitted in the uniform shop.

A blazer deposit of \$80 is required on the day, with the balance of \$95 due when the blazers are delivered. All payments must be made by EFTPOS at the uniform shop, cash at reception or online at: <https://shop.northpineuniforms.com.au/> .

New college blazers will be ordered by the end of week 2, term 1, 2021. They will then be delivered by the beginning of term 2, in time for formal school photos.

If you have any questions, please don't hesitate to contact me on 3204 5972 or email uniforms@northpine.qld.edu.au.

Yours sincerely

Kerryn Knibb
Northpine Christian College Uniform Shop Coordinator
