LOCAL director, Maureen Bowra, is bringing the roaring twenties to the Redcliffe Entertainment Centre with a high-school edition of loved musical *Chicago*.

The talented cast of 12-18 year olds from Redcliffe Musical Theatre have been rehearsing for two months now and with guest star Melanie Evans playing Mama Morton, the Chicago production team is more than excited to perform eight shows from July 5-14.

The adapted script makes the performance family-friendly.

But the production will still feature all the favourite songs including *All that Jazz*, *Razzle Dazzle*, *Mr Cellophane*, *When You're Good to Mama* and *Cell-Block Tango*.

Show executive producer Madeleine Johns said a lot of work had gone into the production.

"This really showcases the talent that we have in the local area as all the cast are local," she said.

"This is a cast of extremely talented youth performers taking on an iconic musical made popular by the movie with Catherine Zeta-Jones and Renee Zellweger.

"This really showcases the talent that we have in the local area as all the cast are local — many from Southern Cross College, Mueller, Redcliffe High and St Benedict's."

The local stars are thrilled to perform the outrageous story of the Merry Murderesses from the 1920s and encourage everyone to purchase a *Chicago* ticket today.

Shows are on at 7.30pm on July 5, 6, 12 and 13 and 2pm on July 6, 7, 13 and 14.

Tickets are \$35 for adults, \$30 for concession, \$25 for children or \$110 for a family. Phone: 3283 0407
