Jasmine Jensen and horse Snowy Nambour in action.

Eyeing the Olympics

A DAKABIN student is learning from one of the best in her quest to one day represent Australia at the Olympic Games.

Jasmine Jensen, a Year 8 student at Northpine Christian College, was named the 2017 12-and-under Showjumping Champion at Burpengary Pony Club and her region of Zone 26.

She also recently had the opportunity to train with Sydney 2000 Olympic silver medalist Albert Voorn, of

the Netherlands. Voorn is regarded as a living legend in Europe after winning many Grand Prix events throughout the world.

"It is cool to train with an Olympian," she said. "I also want to compete in the Olympics when I'm old enough."

Jasmine has been riding horses since she was a baby and showjumping from the age of five.

She practises every day for an hour and competes in

showjumping and dressage on most weekends.

A college spokesman said the school was proud of Jasmine's accomplishments and wished her the best on her journey to become a professional showjumper.

"Jasmine has a bright future with her showjumping horse JFK," he said.

"She doesn't only have hopes for the Olympics, but for a career as well. She is already helping coach other young athletes."

Share a smile this summer

1000GB on **nbn™** for \$80/mth.

Min cost \$2,019 over 24 mths.

Visit your local Telstra Store Northlakes

Standard Evening Speed. Speeds experienced may be lower due to various factors including your in-home setup and wiring. Typical fixed wireless speeds will be lower. FTTN/FTTB speeds confirmed after connection.

THINGS YOU NEED TO KNOW: Minimum cost includes a \$99 connection charge for new Telstra Home Phone or Broadband customers. Offer ends 26/02/2018 unless extended by us. **Service Availability:** Not available to all areas or homes. **Installation:** Our standard installation includes self installation of Telstra's Gateway. Eligibility criteria apply. Extra charges apply for professional or non-standard installation of Telstra and nbn co equipment and for premises in new developments. **Speeds:** An nbn™ service can never go faster than the maximum line speed available at your premises. Speeds can vary due to the access type, maximum speed of your broadband plan tier and your service provider's network capacity. nbn™ is a trade mark of nbn co and used under licence. The spectrum device and * are trade marks and ® are registered trade marks of Telstra Corporation Limited, ABN 33 051 775 556.
