

Awesome Autumn

During April we have been busy creating a new display for our home corner. To celebrate the beginning of a new season, students have made the Awesome Autumn corner. We recycled the cardboard house from our Christmas display and repurposed it into our Autumn leaf house. Students have created mini houses and drawn their families, or who they live with, for our 'Who Lives in Our House' display. Students have also created an Awesome Autumn banner with leaves surrounding it.

- Spots Available - 30

ANZAC Day

For ANZAC Day 2024, we honoured our soldiers by decorating biscuits to look like red poppies and students created their own ANZAC Day wreaths to display in the OSHC room. We also listen to 'Spirit of the Anzacs' at our worship time and pay our respects to our fallen and current soldiers.

The Ode
They shall grow not old,
As we that are left grow old;
Age shall not weary them,
Nor the years condemn;
At the going down of the sun
And in the morning
WE WILL REMEMBER THEM.

Rise then Shine Update

In April we decided to revamp our Rumble in the Jungle area. Students assisted in hanging up the netting for the base of our new jungle area. We reused the brown paper vines to fill in the nets and added green paper to brighten it up. We also reused the leaves and jungle animals and created some new ones as well. Students can continue to add to the jungle throughout the term.

Stay and Play Update

Earth Day 22nd April 2024 – At OSHClub we are consistently working towards a greener future. To celebrate Earth Day, students created a sign to display in the OSHC room. We also had discussions surrounding how we can help the environment and build a greener future!
