

## Term 1 Leaders

With the beginning of a new school term, students had the opportunity to nominate their peers to become OSHClub Leaders.

Votes are in- and our new leaders are:

Xavier P, Radha M, Harry F, Sven O,  
Aiden S, Levi A, Layla K, Nicole G,

Congratulations😊

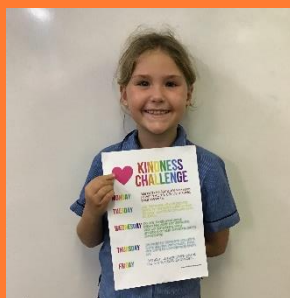

## Fixed VS Growth Mindset

As a part of our Be You Beyond Blue initiative, we have introduced a Change Your Words, Change Your Mindset poster. This shows students the difference between a fixed mindset and growth mindset and teaches students to use positive words and phrases.

## Rise then Shine Update

During February we have had discussions and activities around one of our Values of the Week- Kindness. Students were encouraged to show a random act of kindness during the week. Our OSHClub leaders gave some examples such as inviting others to play with your group, not saying negative things to one another, and using positive and uplifting words to others. They were also challenged to do at least one good deed for the week.

## Stay and Play Update

Stay and Play in February has brought along a refresh for the new year and new learning opportunities. Homework club has begun, and students have been working hard to complete their homework. Our Student Leaders have also been eager to help younger students, or students who need some extra assistance. Students also celebrated Valentine's Day by assisting in designing and creating our new poster – Love Letters From God.
