May 2022 Term 2

April 22
ALL TOGETHER
now!
This is the moment
to change it all.
Now is the time for
the unstoppable
courage to preserve
and protect our
health, our
livelihoods...
Together, we must
Invest in Our Planet
WE ALL HAVE A
HAND IN IT!

What's been happening

Earth Day

The 22nd of April was Earth Day. The theme of Earth Day for 2022 is Invest in our Planet. ‘We need to act (boldly), innovate (broadly), and implement (equitably).’ For Earth Day this year at OSHC we have created some earth hands using paper that can be recycled. We also extended on Earth Day by learning how to save water. Every little bit counts, so do your part and learn how you could be helping our precious Earth for our children and their children to come.

Anzac Day

For Anzac Day this year the children commemorated our fallen soldiers by making a rosemary and poppy cross, as well as painted poppies with ‘We Remember’ as the background. We had a visit from Izzy S’s mum, Bec, and Wayne the therapy dog. The children and educators enjoyed meeting our special visitor. Izzy and Bec explained to the children about the purple poppy and how it represents the animals that have laid down their lives in war.

Supporting children in making
connections between their
world and the worlds of others.

Vacation Care Highlights

Autumn vacation care for 2022 brought on a whole world of fun! We had exciting and interactive incursions, we made our way to the movies for an excursion, and lots of creative craft activities were done! Lots of fun was had and we can't wait for next holidays!

Quality Area Reflection

Quality Area 3

Social and dramatic play provides a space in which friendship groups are formed, relationships are negotiated, and decisions are made. In an inspiring environment children learn to take turns, share, resolve conflict, and become resilient when things don't go their way.

To expand further on our OSHC environment, we are upgrading our home corner. By changing and expanding home corner we are encouraging the children to enjoy creative and social play.

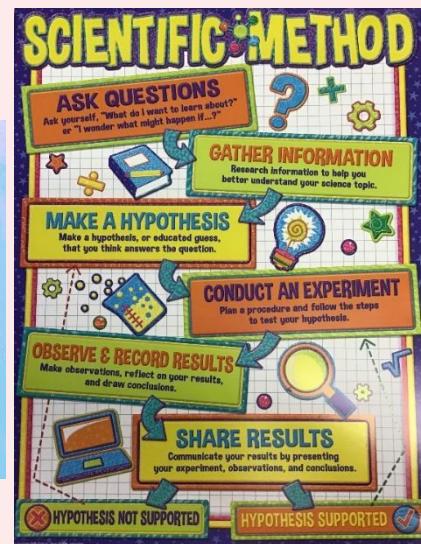

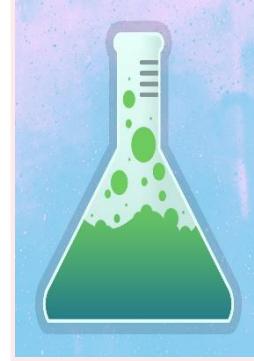

Preparing children to reach their **potential** in a world yet to be imagined.

Club News- Special Announcement

Eye Spy Campaign

Starting May 2nd, we are participating in the Eye Spy Campaign. This campaign is all about inspiring children to be curious and creative. The theme of May's activities is Eye Spy Curiosity Through Your Eyes. Throughout the month of May, the children will have the chance to participate in some fun activities and learning experiences. The experiments for May include swimming spaghetti, sound waves experiment, growing ice, and apple volcano. This campaign will run over May and June, so keep an eye out for next month's theme and activities.

We Love Feedback

OSHClub values feedback and suggestions from all families and children using our service. Families and children are encouraged to share feedback and suggestions directly with the Service Staff or our OSHClub Customer Service and Billing Team on 1300 395 735 or oshaccounts@junioradventures.com

Mother's Day Stall Donation

Mother's Day is coming up on the 8th of May and we will be making our annual donations to the P&F Mother's Day stall. The children have begun painting little pots with beautiful colourful drawings. We are also planting little succulents in the pots.

We would like to thank Izzy Spallek's grandmother for the donation of the soil and succulents.
