CHRISTIAN COLLEGE

Uniform Policy

College Uniform

Northpine Christian College has a smart uniform that students can be proud to wear. We believe that when our students wear the uniform correctly, they not only represent their college positively in the community, but they will also develop a personal sense of pride and self-respect that they can take with them into life beyond school.

Dress Standards Rationale

Australian schools as a general rule have a standard of uniform for the reasons outlined below:

1. For health reasons: within a large community of people, standards directed at cleanliness are important;
2. For solar reasons: in Queensland it is very important to wear a hat and to cover skin with clothing or sunscreen;
3. For safety reasons: in many pursuits within laboratories, classrooms and in exercise, it is important to regulate the clothing and jewellery worn and the way in which hair is worn;
4. For financial reasons: a uniform avoids competition in expensive clothing and enables bulk buying to limit costs;
5. For psychological reasons: extreme array attracts attention and raises problems involving victimisation, bullying, harassment and so on;
6. For modesty: prohibits sexually provocative dress;
7. For school presentation: a student dressed smartly within conventional norms attracts credit for the school;
8. For self-discipline: dress standards teach students to dress smartly and take pride in their appearance;
9. For pride: a student should feel proud to be identified in the uniform of a good school and feel part of a large organisation;
10. For a sense of order: a strict uniform gives the impression that rules are strict also, helping to maintain a sense of order at the school;
11. For equality: reduces socio-economic disparities;
12. For campus safety: an intruder is more easily spotted;
13. For focus: students can concentrate on schoolwork rather than with how they look – better discipline leads to better academic performance;

Northpine Christian College supports the philosophy the 13 statements are based on and has published a Uniform Policy so that the school community are clear as to the expectations and the rationale for those expectations.

In Queensland, there are two sets of law dealing with sex discrimination:

- Antidiscrimination Commission Queensland operates under the *Anti-Discrimination Act 1991* (Qld).
- Commonwealth *Sex Discrimination Act 1984*.

These Acts of Parliament speak to all school uniform policies and the advice used in the updating of this policy has been provided to Independent Schools Queensland by Paxton-Hall Lawyers in February 2019.

Dress Standards & Compliance

Students at Northpine Christian College wear smart, practical uniforms they can be proud of. They are expected to maintain a high standard of dress, wearing the College uniform in a neat and tidy manner at all times.

Students are to wear the correct uniform to the College each day and are to ensure it is maintained and in good condition. This includes travelling to and from College, at the College, at formal College functions and on all excursions (unless stated otherwise).

Staff members will regularly check to ensure students are wearing the correct uniform in a neat and tidy manner. Parents are requested to see that their children are always correctly dressed. If, for any reason, it is impossible for a student to be in full school uniform, written notice from a parent/carer should be provided to the College and the child is to collect a uniform pass from the Primary Resource Room or Secondary Student Office before the commencement of classes. If, for any reason, a student needs permission for non-uniform items for an extended period, an application for special consideration must be made in writing to the Deputy Principal.

Non-compliance with these uniform requirements may result in:

- a student not being able to attend class.
- a request for a parent to bring the correct uniform item to the College.
- the student being sent home.
- confiscation of non-uniform jewellery items until the end of the term.
- the student being excluded from the College until the uniform situation can be rectified.
