HELPFUL INFORMATION ABOUT MUNCH MONITOR

Munch monitor is the name of our online ordering system. Details about how to set up an account can be found on the school website (<https://www.northpine.qld.edu.au/our-community/tuckshop>) in the tuckshop section.

CASH/EFTPOS is not available.

Snack money allowance is a feature on Munch Monitor, designed for parents/guardians to allow their student to have a set amount of money available for them to use to make their own purchases at the tuckshop for Recess or Lunch. This can be either a weekly limit or a daily limit.

The **Allergies** section allows you to let us know if your child has an allergy/intolerance to certain foods. Please keep this updated of any changes to this information.

Gluten Free items are listed in their own category on Munch Monitor.

In order to **successfully order on Munch Monitor**, you should ensure the following:

1. Ensure that you have chosen the **correct meal break** tab at the top of the screen.
2. After you submit your order, you need to wait for the **successfully submitted** message to pop up on the screen.
3. **Check the confirmation email** that will be sent to you. If you have any queries about the order, we request that you call us as early as possible so that we can make any necessary amendments for you.

OTHER GUIDELINES FOR PRIMARY STUDENTS

Prep and Year 1 students are not permitted to purchase from the Tuckshop, they are required to have an online order for their Recess and Lunch.

Primary students will not be allowed to buy food for their friends. Although it seems like a nice gesture, children don't always make the best choices, parents may not be aware that this is happening and there is always a danger with allergies.

There is a limit of one ice-cream/ice-block or slushy per student.

Thank you for taking note of this information. Please do not hesitate to contact our tuckshop staff if you have any questions about the tuckshop.
